Listed above are the points that will be awarded to calculate Year End Awards.

Year End Awards will be awarded to the following categories:

- ❖ Advanced
- ❖ Intermediate
- ❖ Preliminary
- ❖ Training
- ❖ Novice
- ❖ Beginner Novice
- ❖ Tadpole

Awards are given to Rider/Horse teams that acquire a minimum of 2 scores for each level. Each category will be split by adult amateur, junior/young rider and open divisions.

Combined Training awards are separate from Horse Trial awards.

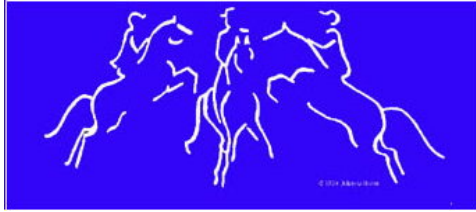

If a class is split into several smaller classes, points will be given as if they were one class.

Rider is responsible for informing Point Coordinator about out of state show results.

Horse and rider must be SCDCTA members at the time the scores are earned.

I will do my best to track in-state Combined Training and Horse Trial events. Although, it would be in the riders best interest to e-mail me with the show information and their results as I would hate to accidentally miss one.
